ADMISSION REQUIREMENTS

Shelton State Community College is an open admissions institution. All students who have earned a high school diploma or GED are eligible for admission to courses creditable toward an associate degree. Non high school graduates may qualify for admission to courses not creditable toward an associate degree by demonstrating an Ability-to-Benefit prior to enrollment. For more information on Ability-to-Benefit call 205.391.2232.

All applicants are required to submit an application for admission which includes the student's signature and in-person presentation of a valid photo identification (I.D.) In addition to an application for admission, students are required to supply the College with official transcripts. Required documents are based on the student's admission status.

- **First-Time Freshmen** - The student must submit either an official transcript from the high school that must include the graduation date, official signature, and diploma type OR official GED scores mailed from the testing institution.
- **Transient** - The student must submit a transient letter from the home institution stating the courses that the student will be allowed to take. Transient letters must be submitted for each semester the student attends Shelton State prior to registering for classes.
- **Transfer** - The student must have official transcripts mailed from each institution previously attended. No faxed copies will be accepted.
- **College Graduate** - The student must submit an official transcript from the institution from which the degree was awarded.

First-time freshmen and transfer students may be conditionally admitted for one semester without the appropriate transcripts. However, students will not be allowed to register for mathematics or English courses without documentation of prerequisites or the appropriate COMPASS© score. Students must be prepared to provide this documentation at the time of registration. Also, students who receive federal financial aid must have a complete admissions file. Students who earned the Alabama Occupational Diploma, accelerated high school students, dually enrolled students, Ability-to-Benefit students, and students who graduated from non-accredited high schools may not be conditionally admitted and must register in the Office of Admissions & Records. Contact the Office of Admissions & Records (205.391.2214) for further information.

ATTENTION - NEW ADMISSIONS REQUIREMENTS

- All new applicants must present a valid form of identification prior to acceptance for admission. Acceptable forms of I.D. are listed on the college website, www.sheltonstate.edu.
- All transient students must submit a transient letter prior to registering for classes.

Instructions for First-Time Freshmen

1. For an admissions file to be complete, high school graduates must have the high school send an official copy of the transcript with the graduation date posted and diploma type indicated to the Office of Admissions & Records, Shelton State Community College, 9500 Old Greensboro Road, Box 190, Tuscaloosa, AL 35405. Students who have earned a GED must have the test center send an official copy of the GED scores to the Office of Admissions & Records.
2. Students should make an appointment to take the COMPASS placement assessment in the Counseling Center or call 205.391.2232.
3. Students who have official ACT/SAT score reports on file with the Assessment Director and who have graduated within the last three years may be exempt from the placement assessment. The following ACT/SAT scores determine mathematics or English placement:

ACT SCORE	SAT SCORE	PLACEMENT
20 or higher in English and 20 or higher in Reading	480 or higher in Writing and 480 or higher in Critical Reading	ENG 101
20 or higher in Reading PLACEMENT	480 or higher in Critical Reading	No RDG course required
20-24 in Mathematics	480-570 in Mathematics	MTH 100
25-26 in Mathematics	580-610 in Mathematics	MTH 110 or 112
27-28 in Mathematics	620-640 in Mathematics	MTH 113 or 120
29 or higher in Mathematics	650 and above in Mathematics	MTH 125

If a student wishes a higher mathematics placement, the student must take the appropriate portion of the COMPASS assessment.

4. After completing the placement assessment or submitting ACT/SAT scores to the Assessment Director, students will be assigned a date to attend S.T.A.R.T. Up Day (Special Time for Advising, Registration, and Touring the Campus).
5. Students who plan to transfer to a public four-year institution in the State of Alabama should visit www.sheltonstate.edu and select the STARS link. The Statewide Transfer & Articulation Reporting System (STARS) is a web-accessible database system that provides guidance and direction for prospective students who transfer to public institutions within the the State of Alabama. The STARS System allows students in Alabama to obtain a Transfer Guide/Agreement for the major at the selected public four-year institution. Print and keep this guide. Students who plan to transfer to a public four-year institution in the state of Alabama should visit www.sheltonstate.edu and select the STARS link. The Statewide Transfer & Articulation Reporting System (STARS) is a web-accessible database system that provides guidance and direction for prospective students who transfer to public institutions within the the State of Alabama. PREREQUISITES

Before a student enrolls in a class, all prerequisites must be satisfied. If a student enrolls in a class for which the prerequisites are not fulfilled, the student may not receive credit for that class and may be administratively withdrawn.

CLASS CANCELLATIONS/ROOM CHANGES

Occasionally it is necessary that the College cancel a class or change a room. To the extent possible, these changes will occur prior to noon on Tuesday, August 18, 2009. Students are required to verify class schedules with room numbers within the online student account. Notifications of class cancellations will be emailed to each student at the email address assigned to the student by the College. Students affected by class cancellations should immediately register for other classes or come to the Martin or C.A. Fredd campus for assistance.

WITHDRAWAL POLICY

Once classes begin for the respective term, students who wish to withdraw from a class or totally withdraw from school must officially withdraw on or before the date designated as the last day to withdraw for the semester. The last day to withdraw from any class is the last day of classes for the term as defined by the College's Academic Calendar. There will be NO withdrawals after this date. The student will receive a grade of "W" regardless of the student's average at the time of the withdrawal if the class does not qualify for a full refund when dropped; the grade of "W" will be recorded on the student's permanent record. Students who remain in the class after the last day to withdraw will receive the grade earned for the class. Withdrawal through the online student portal is available until midnight of the designated last day for withdrawals, and withdrawal in person is available in the Office of Admissions & Records until the close of business of the designated last day for withdrawals. No withdrawals will be taken over the telephone or by email. An instructor's signature is not required. Failure to attend class does not constitute official withdrawal.

TUITION AND FEES

Tuition: Residents of the State of Alabama

OBLIGATION TO REPAY TITLE IV FINANCIAL ASSISTANCE

Federal Grant recipients who completely withdraw from the College or are no longer attending all classes prior to completing sixty percent (60%) of the enrollment period will owe a repayment to the U.S. Department of Education. Failure to attend class will result in a reduction or repayment of financial aid. Students enrolled in distance education classes must begin participation within five (5) days of the first day of class.

DEFINITIONS

Federal Grant Recipient - A student who receives one or more of the following: Federal Pell Grant, Federal Supplemental Educational Opportunity Grant (FSEOG), or Alabama Student Assistance Program (ASAP and ASAP Knight), or Academic Competitiveness Grant (ACG 1st Year and 2nd Year) is defined as a Federal Grant Recipient.

Complete Withdrawal - The Return of Title IV funds will be calculated based on an applicant failure to complete at least 60 percent of the term. The calculation will be calculated from the last official or unofficial date of withdrawal from all classes.

Sixty percent (60%) of Enrollment Period - For full term Fall 2009 classes, the 60% point is Monday, November 2, 2009; for first split term it is Friday, September 18, 2009, and for second-split term it is Friday, November 13, 2009. Students who withdraw from school on or before these dates **will owe a repayment**. Students who withdraw after these dates will not owe a repayment.

Financial Aid Credit Hours - All technical courses not associated with a degree plan (the program does not offer a degree) are subject to a clock hour conversion. This means that the credit hours *may* not be counted fully for financial aid purposes only.

FALL 2009 CLASS SCHEDULE SORTED BY DEPARTMENT

MODES OF INSTRUCTION

To better meet the needs of our growing and diverse student population, Shelton State Community College has expanded our class offerings to incorporate different modes of instruction. By selecting classes based on the mode of instruction, students can choose a learning environment that will best meet their needs.

Modes are located to the left of the course description in the schedule. The key below explains each mode of instruction.

CBI **Computer Based Instruction:** A class with an instructor scheduled at a specific time in a computer classroom on campus. Instruction and assessment are delivered using a computer. Students are required to attend class on campus.

CAI **Computer Assisted Instruction:** A class with an instructor scheduled at a specific time and location in a computer classroom on campus. Instruction and assessment are delivered with a combination of instructor lectures and computerized assessments. Students are required to attend class on campus.

B **Blended:** A class with an instructor that requires students to attend a designated number of classes on campus and complete activities and coursework online. Students are required to attend the designated classes on campus and participate in activities and complete coursework online. Access to a computer with high speed Internet capabilities is required.

O **Online:** A class that meets entirely online. Students are not required to come to campus. Students are required to take exams on campus or in an approved proctored environment. Access to a computer with high speed Internet capabilities is required.

Where a mode of instruction is not listed, the class is a traditional face-to-face class with an instructor scheduled at a specific time and location. Students are required to attend class on campus or at a specified location. The instructor may utilize online tools to enhance the teaching and learning process.

FALL 2009 CLASS SCHEDULE SORTED BY DAY AND TIME

MODES OF INSTRUCTION

To better meet the needs of our growing and diverse student population, Shelton State Community College has expanded our class offerings to incorporate different modes of instruction. By selecting classes based on the mode of instruction, students can choose a learning environment that will best meet their needs.

Modes are located to the left of the course description in the schedule. The key below explains each mode of instruction.

CBI **Computer Based Instruction:** A class with an instructor scheduled at a specific time in a computer classroom on campus. Instruction and assessment are delivered using a computer. Students are required to attend class on campus.

CAI **Computer Assisted Instruction:** A class with an instructor scheduled at a specific time and location in a computer classroom on campus. Instruction and assessment are delivered with a combination of instructor lectures and computerized assessments. Students are required to attend class on campus.

B **Blended:** A class with an instructor that requires students to attend a designated number of classes on campus and complete activities and coursework online. Students are required to attend the designated classes on campus and participate in activities and complete coursework online. Access to a computer with high speed Internet capabilities is required.

O **Online:** A class that meets entirely online. Students are not required to come to campus. Students are required to take exams on campus or in an approved proctored environment. Access to a computer with high speed Internet capabilities is required.

Where a mode of instruction is not listed, the class is a traditional face-to-face class with an instructor scheduled at a specific time and location. Students are required to attend class on campus or at a specified location. The instructor may utilize online tools to enhance the teaching and learning process.
